

PRESS RELEASE

COMPANY NEWS

Limassol, Cyprus. 2019

Zela Aviation officially opens a branch office in Athens, Greece with the appointment of Elena Tzannou.

We are delighted to announce the appointment of Elena Tzannou who recently joined the Zela Team as Regional Sales Manager Greece, in our new Athens based office.

Elena will focus on ACMI activity and help expand relationships on several of our most important accounts.

Elena joins Zela Aviation full enthusiasm and over 25 years of experience in the aviation industry. Elena started her aviation career for Virgin Atlantic Airlines followed by Axon Airlines, quickly moving ahead as cabin chief.

In 2004 she took the opportunity to work for a Greek brokerage company K&K Aviation Services, in the commercial department working on chartering and management of aircraft of Greek and foreign companies. After gaining extensive experience, Elena's speciality lies in ACMI (WET) Lease with long and short-term chartering.

Andreas Christodoulides, Owner of Zela Aviation commented:-

"We are delighted to announce the expansion of Zela Aviation with the launch of our Athens office. This was a logical step in our business growth strategy bringing us closer to our Greek customers and partners as well as strengthening our presence in this region. Also, we're excited to see Elena apply her industry experience to help grow the business knowing that she will be a great addition to the Zela Team"

About Zela Aviation:

Zela Aviation is a dynamic aircraft brokerage company active in most areas of the air transport industry. With 13 years presence in the industry, Zela Aviation has gained the loyalty of its clients globally and the reputation of a reliable partner to its business.

Highly Specialised in:

- ACMI services
- Actively marketing any available spare capacity
- Short and long term ACMI leasing
- Dry lease and aircraft sales

Since its inception Zela Aviation built a broad network of clients, successfully placing a wide range of aircraft - ranging from turboprops to wide-bodied aircraft - across the world for clients including well-reputed and national flag carriers.
